

POWER LINEUP

“ A blast in STaSIS' supercharged V10 R8 rearranged my sense of time and space . . . now everything moves in slow-mo. ”

- Peter Wu, *European Car*

The STaSIS Lineup

- » *Up to 180 more hp than factory models*
- » *Full product line including brakes, suspensions and exhausts*
- » *Dealership installation and service*
- » *4-year, 50,000-mile warranty*

The STaSIS power lineup delivers exotic performance at a fraction of the cost. Our portfolio spans the Audi lineup—everything from a Ferrari-beating, 710-hp R8 to a 410-hp S4 luxury sedan, to a rugged Q5 that outperforms the competition. No matter what Audi you drive, there's a STaSIS product with your name on it. Installed by your dealer. Under warranty.

What are you waiting for?
